

Camera with mounting bracket		Stand 13.05.2016
		
-		
Technical data:		
dimensions (WxHxD mm)	87x74x74	
housing mounting bracket	stainless steel	
weight camera	approx. 180 g	
housing camera	aluminium	
operating voltage	9-36V DC	
operating temperature	-40 - +85°C	
lens angle	100°	
image sensor	1/4", CMOS	
min. illumination	<0,5 Lux	
video output	FBAS 1 Vss an 75 Ω	
adaption of lighting conditions	automatical	
power consumption	- heater off: approx. 1W - heater on: approx. 4W	
IP protection class	IP-69K	
heater	automatic activation under low temperature conditions	
cable	special cable	
connector	special connector
